Office of the Chancellor

MEMORANDUM NO. 067
Series of 2020

TO : **All UPLB Constituents**

SUBJECT : **Call for Volunteers**

There are now more than three thousand positive cases of COVID-19 in the country. In the days ahead, this number will continue to rise. We are now facing an unimaginable crisis that is affecting millions of our countrymen.

Over the last few months, we have witnessed how the frontliners offered their selfless service to the nation amid the COVID-19 pandemic. I am certain that each one of us would also like to do our part.

In line with this, we are calling for volunteers from the UPLB community who are willing to offer their skills, experience, and training in the fight against COVID-19. We are accepting any form of help, including medical assistance, technical assistance, participation in research related to COVID-19, relief distribution, fund-raising, counselling services, and information dissemination.

Volunteers shall be mobilized according to the needs of the UPLB Task Force.

If you are willing to be part of this initiative, please fill out the form at <https://bit.ly/39EYMSy>. You can also express your interest by sending a message to the Office of the Vice Chancellor for Research and Extension at ovcre.uplb@up.edu.ph.

Thank you very much.
